Bid Results & Recommendation

Dear Mr. Gladden,

Bids were received for the above referenced project on June 27, 2019. Attached you will find a copy of the Bid Tabulation outlining each bid for your review. All Bid Proposals received were complete and in proper order, ranging from a low bid of \$122,482.00 to a high bid of \$125,218.00 as compared to the Engineer's Opinion of Probable Construction Cost of \$118,150.

The low bidder for this improvement project is 7L Construction LLC, whose bid has been reviewed and found to be in conformance with all contract requirements. We have worked with 7L Construction on similar projects and have found their work satisfactory and their staff professional. It is our opinion that they are experienced and qualified to perform the work within the contract.
